2. Some Universities have exam/application fees which are listed in this pack. Once your application is received we will invoice you for the exam fees or in cases where you must complete the application yourself you will need to pay the university direct.. Payments for courses should be paid at least 30 days prior to the course start date
3. University fees – an invoice will be issued to applicants with the admission containing details of how to pay and when fees should be paid.

### **REFUNDS**

- The registration/exam fee is non-refundable once paid.
- Once a course is booked and confirmed then the place is taken on the course. There are NO refunds for cancellation of the course.
- University exam/application fees are non refundable once booked.
- All university deposits to secure the place on the course are non-refundable if the place is later turned down
- If the student enrolls but later drops out, then no refund of fees will be made.

### **NOTES**

Please note all fees are subject to variation. Where given, the equivalence in pounds to fees are with exchange rates as on 3/11/2017. For general conditions see info sheets and application form. Some of the University fees listed are for 2017 as they have not published their 2018 fees. Please check the University websites for the updated fees once released.
