## NOSTRIFICATION OF EDUCATION

**ALL APPLICANTS MUST SEND CERTIFICATES FROM THEIR HIGH SCHOOL TO BE ABLE TO SIT SOME OF THE ENTRANCE EXAMS. HIGH SCHOOL CERTIFICATES, FOR EXAMPLE IN THE UK, ARE A LEVELS**

### Nostrification of High School Diplomas

Universities require, usually at enrolment, nostrification of High School Certificates/Diplomas.

Some Universities, this year, require all applicants nostrifications of High School Diplomas at the day of the entrance examination.

How to do this:

- Find out the type of legalization of diplomas required from your country  
The type of legalization can be found here:  
<https://www.cuni.cz/UKEN-16.html> (point 1)
- You must then arrange the necessary legalization of your certificates. If you have not received your final results yet, you should ask your school for your predicted grades. This should be on school headed paper, signed and stamped with the school stamp.
- You have to bring the correct legalized Diploma on the day of the entrance examination or the predicted grades original as per point 2 above. You also need to bring your passport.
- Applicants will not be allowed to sit the entrance examinations(s) without these.

THE ONLY FEE STUDENTS WILL PAY IS THE UNIVERSITIES APPLICATION FEE.**

Some Universities have examination/application fees which are listed in this pack. Once your application is received we will invoice you for the examination fees or in cases where you must complete the application yourself you will need to pay the university direct. Payments for courses should be paid at least 30 days prior to the course start date.

University fees – an invoice will be issued to applicants with the admission containing details of how to pay and when fees should be paid.

## **REFUNDS**

The registration/examination fee is non-refundable once paid.

Once a course (revision or preparation) is booked and confirmed then the place is reserved for you. There are NO refunds for cancellation of the course (unless due to lack of numbers).

Should the university examination be cancelled by us (due to lack of numbers) we will either refund your entrance examination fee or arrange for you to take the entrance examination in London with another provider.

All university deposits to secure the place on the course are non-refundable if the place is later turned down.

If the student enrolls but later drops out, then no refund of fees will be made.

## **NOTES**

Some Universities require a minimum number of applicants in order for them to proceed with the exam. EMUCAS reserves the right in the case where the minimum requirement is not met to either change the exam date or cancel an exam. In such a case EMUCAS will always try to offer an alternative date or location or refund the universities fees.
